

Privacy Policy

(If you are a user having your usual residence in the US)

Last updated: December 20, 2020.

Welcome to Dr.Floppa's Mediscam (the "Platform"). The Platform is provided and controlled by Dr.Floppa's Mediscam Inc. ("Dr.Floppa's Mediscam", "we" or "us"). We are committed to protecting and respecting your privacy.

Capitalized terms that are not defined in this policy have the meaning given to them in the [Terms of Service](#).

What information do we collect?

We collect information when you create an account and use the Platform. We also collect information you share with us from third-party social network providers, and technical and behavioral information about your use of the Platform. We also collect information contained in the messages you send through our Platform and information from your phone book, if you grant us access to your phone book on your mobile device. More information about the categories and sources of information is provided below.

Information you choose to provide

For certain activities, such as when you register, upload content to the Platform, or contact us directly, you may provide some or all of the following information:

- Registration information, such as name and password, language, hospital address, director/ceo's email or phone number, and user email or phone number
- Profile information, such as name and profile image
- Payment information, such as PayPal or other third-party payment information (where required for the purpose of payment)

- Your phone and social network contacts, with your permission. If you choose to find other users through your phone contacts, we will access and collect the names and phone numbers and match that information against existing users of the Platform. If you choose to find other users through your social network contacts, we will collect your public profile information as well as names and profiles of your social contacts
- Your opt-in choices and communication preferences
- Information to verify an account
- Information in correspondence you send to us
- Information you share through surveys or your participation in challenges, sweepstakes, or contests such as your gender, age, likeness, and preferences.

Information we obtain from other sources

We may receive the information described in this Privacy Policy from other sources, such as:

Social Media. If you choose to link your social network (such as Facebook, Twitter, Instagram, or Google), we may collect information from these social media services, including your contact lists for these services and information relating to your use of the Platform in relation to these services.

Third-Party Services. We may collect information about you from third-party services, such as advertising partners and analytics providers.

Others Users of the Platform. Sometimes other users of the Platform may provide us information about you, including through customer service inquiries.

Other Sources. We may collect information about you from other publicly available sources.

Information we collect automatically

We automatically collect certain information from you when you use the Platform, including internet or other network activity information such as your IP address, geolocation-related data

(as described below), unique device identifiers, browsing and search history (including content you have viewed in the Platform), and Cookies (as defined below).

Usage Information

We collect information regarding your use of the Platform and any other video call or messaging that you generate through and broadcast on our Platform. We also link your subscriber information with your activity on our Platform across all your devices using your email, phone number, or similar information.

Device Information

We collect information about the device you use to access the Platform, including your IP address, unique device identifiers, model of your device, your mobile carrier, time zone setting, screen resolution, operating system, app and file names and types, keystroke patterns or rhythms, and platform.

Location data

We collect information about your location, including location information based on your SIM card and/or IP address. With your permission, we may also collect Global Positioning System (GPS) data.

Messages

We collect and process, which includes scanning and analyzing, information you provide in the context of composing, sending, or receiving message through the Platform's messaging functionality. That information includes the content of the message and information about when the message has been sent, received and/or read, as well as the participants of the communication. Please be aware that messages sent to other users of the Platform will be accessible by those users and that we are not responsible for the manner in which those users use or disclose messages.

Cookies

We and our service providers and business partners use cookies and other similar technologies (e.g. web beacons, flash cookies, etc.) (“Cookies”) to automatically collect information, measure and analyze which web pages you click on and how you use the Platform, enhance your experience using the Platform, improve the Platform, and provide you with targeted advertising on the Platform and elsewhere across your different devices. Cookies are small files which, when placed on your device, enable the Platform to provide certain features and functionality. Web beacons are very small images or small pieces of data embedded in images, also known as “pixel tags” or “clear GIFs,” that can recognize Cookies, the time and date a page is viewed, a description of the page where the pixel tag is placed, and similar information from your computer or device. To learn how to disable Cookies, see your “Your choices” section below.

Additionally, we allow these service providers and business partners to collect information about your online activities through Cookies. We and our service providers and business partners link your contact or subscriber information with your activity on our Platform across all your devices, using your email or other log-in or device information. Our service providers and business partners may use this information to display advertisements on our Platform and elsewhere online and across your devices tailored to your interests, preferences, and characteristics. We are not responsible for the privacy practices of these service providers and business partners, and the information practices of these service providers and business partners are not covered by this Privacy Policy.

We may aggregate or de-identify the information described above. Aggregated or de-identified data is not subject to this Privacy Policy.

How we use your information

As explained below, we use your information to fulfill and enforce our Terms of Service, to improve and administer the Platform, and to allow you to use its functionalities. We may also use your information to, among other things, show you suggestions, promote the Platform, and customize your ad experience.

We generally use the information we collect:

- To fulfill requests for products, services, Platform functionality, support and information for internal operations, including troubleshooting, data analysis, testing, research, statistical, and survey purposes and to solicit your feedback
- To customize the content you see when you use the Platform. For example, we may provide you with services based on the country settings you have chosen or show you content that is similar to content that you like or interacted with
- To send promotional materials from us or on behalf of our affiliates and trusted third parties
- To improve and develop our Platform and conduct product development
- To measure and understand the effectiveness of the advertising we serve to you and others and to deliver targeted advertising
- To make suggestions and provide a customized ad experience
- To support the social functions of the Platform, including to permit you and other users to connect with each other through the Platform and for you and other users to share, download, and otherwise interact.
- To use video calls as part of our advertising and marketing campaigns to promote the Platform
- To understand how you use the Platform, including across your devices
- To infer additional information about you, such as your age, gender, and interests
- To help us detect abuse, fraud, and illegal activity on the Platform
- To communicate with you, including to notify you about changes in our services
- To enforce our terms, conditions, and policies
- Consistent with your permissions, to provide you with location-based services, such as advertising and other personalized content
- To inform our algorithms
- To combine all the information we collect or receive about you for any of the foregoing purposes
- For any other purposes disclosed to you at the time we collect your information or pursuant to your consent.

How we share your information

We are committed to maintaining your trust, and while Dr.Floppa's Mediscam does not sell personal information to third parties, we want you to understand when and with whom we may share the information we collect for business purposes.

Service Providers and Business Partners

We share the categories of personal information listed above with service providers and business partners to help us perform business operations and for business purposes, including research, payment processing and transaction fulfillment, database maintenance, administering contests and special offers, technology services, deliveries, email deployment, advertising, analytics, measurement, data storage and hosting, disaster recovery, search engine optimization, marketing, and data processing. These service providers and business partners may include:

- Payment processors and transaction fulfillment providers, who may receive the information you choose to provide, the information we obtain from other sources, and the information we collect automatically but who do not receive your message data.
- Customer and technical support providers, who may receive the information you choose to provide, the information we obtain from other sources, and the information we collect automatically.
- Researchers, who may receive the information you choose to provide, the information we obtain from other sources, and the information we collect automatically but would not receive your payment information or message data.
- Cloud providers, who may receive the information you choose to provide, the information we obtain from other sources, and the information we collect automatically.
- Advertising, marketing, and analytics vendors, who may receive the information you choose to provide, the information we obtain from other sources, and the

information we collect automatically but would not receive your payment information or message data.

Within Our Corporate Group

We may share all of the information we collect with a parent, subsidiary, or other affiliate of our corporate group.

In Connection with a Sale, Merger, or Other Business Transfer

We may share all of the information we collect in connection with a substantial corporate transaction, such as the sale of a website, a merger, consolidation, asset sales, or in the unlikely event of bankruptcy.

For Legal Reasons

We may disclose any of the information we collect to respond to subpoenas, court orders, legal process, law enforcement requests, legal claims, or government inquiries, and to protect and defend the rights, interests, safety, and security to Dr.Floppa's Mediscam Inc., the Platform, our affiliates, users, or the public. We may also share any of the information we collect to enforce any terms applicable to the Platform, to exercise or defend any legal claims, and comply with any applicable law.

With Your Consent

We may share your information for other purposes pursuant to your consent or with your further direction.

If you access third-party services, such as Facebook, Google, or Twitter, to login to the Platform or to share information about your usage on the Platform with others, these third-party services may be able to collect information about you, including information about your activity on the

Platform, and they may notify your connections on the third-party services about your use of the Platform, in accordance with their privacy policies.

If you choose to engage in public activities on the Platform, you should be aware that any information you share may be read, collected, or used by other users. You should use caution in disclosing personal information while engaging. We are not responsible for the information you choose to submit.

Your Rights

You may submit a request to access or delete the information we have collected about you by sending your request to us at the email or physical address provided in the Contact section at the bottom of this policy. You may be entitled, in accordance with applicable law, to submit a request through an authorized agent. To designate an authorized agent to exercise choices on your behalf, please provide evidence that you have given such agent power of attorney or that the agent otherwise has valid written authority to submit requests to exercise rights on your behalf. We will respond to your request consistent with applicable law and subject to proper verification. We will verify your request by asking you to send it from the email address associated with your account or to provide information necessary to verify your account. And we do not discriminate based on the exercise of any privacy rights that you might have.

Your Choices

- You may be able to refuse or disable Cookies by adjusting your browser settings. Because each browser is different, please consult the instructions provided by your browser. Please note that you may need to take additional steps to refuse or disable certain types of Cookies. For example, due to differences in how browsers and mobile apps function, you may need to take different steps to disable Cookies used for targeted advertising in a browser and to disable targeted advertising for a mobile application, which you may control through your device settings or mobile app permissions. In addition, our choice to disable

cookies is specific to the particular browser or device that you are using when you disable cookies, so you may need to separately disable cookies for each type of browser or device. If you choose to refuse, disable, or delete Cookies, some of the functionality of the Platform may no longer be available to you.

Without this information, we are not able to provide you with all the requested services, and any differences in services are related to your information.

- You can manage third-party advertising preferences for some of the third parties we work with to serve advertising across the Internet by clicking here and by utilizing the choices available at www.networkadvertising.org/managing/opt_out.asp and www.aboutads.info/choices.
- Your mobile device may include a feature that allows you to opt out of some types of targeted advertising (“Limit Ad Tracking” on iOS and “Opt out of Interest-Based Ads” on Android).
- You can opt out of marketing or advertising emails by utilizing the “unsubscribe” link or mechanism noted in marketing or advertising emails.
- You can switch off GPS location information functionality on your mobile device if you do not wish to share GPS information.
- If you have registered for an account you may access, review, and update certain personal information that you have provided to us by logging into your account and using available features and functionalities.
- Some browsers transmit “do-not-track” signals to websites. Because of differences in how browsers incorporate and activate this feature, it is not always clear whether users intend for these signals to be transmitted, or whether they even are aware of them. We currently do not take action in response to these signals.

Security

We use reasonable measures to help protect information from loss, theft, misuse and unauthorized access, disclosure, alteration, and destruction. You should understand that no

data storage system or transmission of data over the Internet or any other public network can be guaranteed to be 100 percent secure. Please note that information collected by third parties may not have the same security protections as information you submit to us, and we are not responsible for protecting the security of such information.

Other Rights

Sharing for Direct Marketing Purposes (Shine the Light)

If you are a California resident, once a calendar year, you may be entitled to obtain information about personal information that we shared, if any, with other businesses for their own direct marketing uses. If applicable, this information would include the categories of customer information, as well as the names and addresses of those businesses with which we shared customer information for the immediately prior calendar year. To submit a request, contact us at: <https://www.Dr.Floppa's Mediscam.com/legal/report/privacy>.

Changes

We may update this Privacy Policy from time to time. When we update the Privacy Policy, we will notify you by updating the "Last Updated" date at the top of this policy and posting the new Privacy Policy and providing any other notice required by applicable law. We recommend that you review the Privacy Policy each time you visit the Platform to stay informed of our privacy practices.
